Disability Rights Rhode Island

www.drri.org

Disability Rights Rhode Island (DRRI) is the federally mandated Protection and Advocacy (P&A) System for the state of Rhode Island. We are part of the national network of P&A agencies that exist in every state and U.S. territory as well as one serving the Native American population in the four corners region. Collectively, the P&A network is the largest provider of legally based advocacy services to people with disabilities in the United States.
